ELVIS to the MAX

Friday, 16th September 8pm

The **Elvis to the Max** show has successfully toured Australia for over a decade, always to sell-out crowds. Max goes beyond mere impersonation. His recreation of the Kings looks, moves, vocal style, impressions and humour is so accurate, its awe inspiring. The Australian tour will capture Elvis through the decades, recreating the early years, the black leather of the '68 comeback tour, right through to

the white eagle costume - featuring exact replicas made by Elvis' own tailor Bill Bellow. There are lots of Elvis impersonators around, but Max is considered as the best. Critics have described him as Elvis 'resurrected'. It seems people just can't help falling in love with Elvis to the Max.
