## PETER POWERS — Hilarious Hypnotic Comedy!!

**Peter Powers** is best known for his many appearances on the Footy Show where he hypnotized **Fatty Vautin** and other members of the show. His shows are unique, fun-packed with loads of surprises. 2010 was a big year for Peter after performing some 30 sell out shows in Sydney, and sell out tours of the UK, NZ and Amsterdam. Peter returns to Australia and will perform at the Barossa Arts & Convention Centre on Friday 8 July @ 8pm.

During 2008 **Foxtel** aired nationally a 13-week series of **Peter Power's** shows '**Power Of One**' which is the 3<sup>rd</sup> series. Following these specials, **Foxtel** followed through with another series by **Peter Powers** titled '**Street Hypnosis**'. Peter is often referred to as a 'Comedy Genius'

**Peter Powers** is in strong demand World wide and in 2009 he filmed a further 13-week series of TV shows in the Netherlands for the Dutch market and tours there every year. Peter also tours England, Scotland, Ireland and Canada and currently in discussion with the US market.

With appearances on **The Footy Show** and his numerous TV Specials '**Celebrity Superpowers**', and '**The Power Of One**', **Peter Powers** has become a major celebrity and draw card on the Australian circuit. It has been 2 years since Peter's has toured Sydney and his upcoming performance promises some new and exciting surprises and is a 'must see' show that promises to be an unbelievably outrageous and wild experience. Peter show involves his audience where he has his subjects display their wild antics into the audience during interval and other times during his show.

Radio Stations love to interview **Peter Powers** as listeners tune in to hear the quirky antics he gets up to when hypnotizing his subjects. The studio interview on the 'Cage' program, Triple M in Sydney during 2005 was so successful that, 2 weeks later, Triple M hired a small Theatre and arranged several celebrities as well as some general public to be hypnotized. But being **live** at a **Peter Powers** stage show is the ultimate experience offering ultimate comedy entertainment.

**Peter** is the best and most popular hypnotist in Australia and can be described as wicked, naughty and mischievous, and although some routines are adult in nature, it is strictly in good humour.

**Peter** says touring in Australia is great fun. Australians really enjoy their entertainment and make superb, often wild, audiences", "the guys are very daring especially as 'male strippers'", "each person has his or her own persona which makes each show different and exciting", "expect the unexpected as the girls get back at their cheating husbands or boyfriends when Peter places a Voodoo on them. The girls' partners believe that they are the voodoo doll on stage, and when the girls punch and kick the hell out of the voodoo doll in all the sensitive body parts, their partners yell and scream for mercy . . . but it's all good humour.
