A Musical Tribute to the Rocky Horror Show

Good evening my unconventional conventionists, the risqué team is back with a new show for your enjoyment. Let Frank N Furter warm you up this winter with his splendid mix of humour and naughtiness.

Time Warp: A Musical Tribute to the Rocky Horror Show, takes the basic storyline of the cult classic, deftly twists it around to keep within the tribute laws, and turns up the sexy content with ad-lib comedy and plenty of audience participation.

Come and enjoy an evening dedicated to the Rocky Horror Picture Show. Enjoy singing along to your favourite Transylvanian tunes such as *Time Warp*, *Toucha-Toucha-Touch Me*, *Over at Frankenstein's Place*, *Sweet Transvestite*, *Hot Patootie*, *I Can Make You A Man*, *Eddie's Teddy*, *Science Fiction*, *Dammit Janet*, *Wild and Untamed Thing* etc.

This show is vocally and musically outstanding with superb performances from an extremely talented cast.

They are Australia's finest and most experienced Musical Theatre performers including Phillip Lower (*The Producers*, *Crazy for You*, *Cabaret*, *Showboat*, *Eurobeat*) starring as the trans-sexual Frank N Furter, Anna Burgess (*The Producers*, *Crazy for You*, *Sweet Charity*, *42nd Street*, *The Pajama Game*) as the effervescent Columbia and Damien Chambers (*CATS*, *Miss Saigon*, *Beauty and the Beast*, *Jesus Christ Superstar*, *Hair*, *Grease*, *Starlight Express*) in the role of Mr Brad Majors.

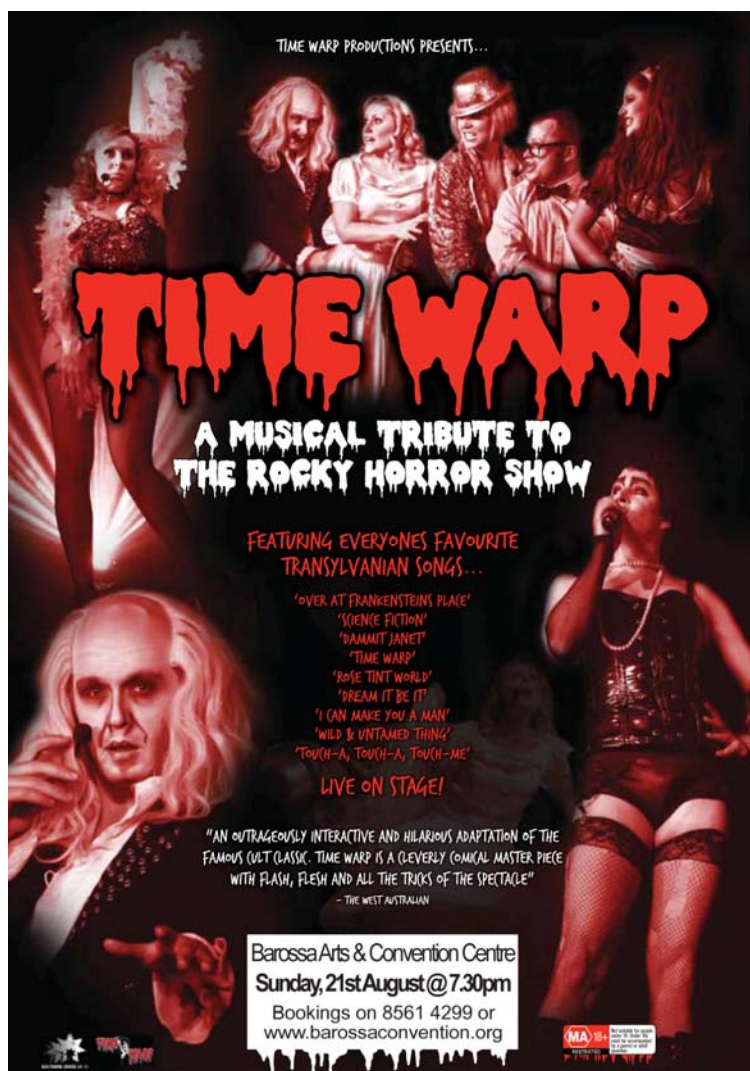

This superbly crafted production was created by veteran theatre/television Director Elissa Meyer-Thomas (*Price is Right*, *In Melbourne Tonight*, *Thank God You're Here*, *Singing Bee*) and produced by Event

Theatre Australia, one of Australia's finest entertainment producers.

The show has toured nationally, regionally and internationally to sell out houses.

This show is packed with punch and you are guaranteed a night filled with oooo's ahhhh's and ha ha ha's.

So my creatures of the night, come out of the closet and bring your suspenders with you and we can all do the Time Warp again!●
